IN THE HOUSE OF REPRESENTATIVES

Mr. ROYCE introduced the following bill; which was referred to the Committee
on _____

A BILL

To require the Secretary of State to submit an unclassified notice before the transfer of any individual detained at United States Naval Station, Guantanamo Bay, Cuba, to the custody or control of the individual's country of origin, any other foreign country, or any other foreign entity, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Terrorist Release
3 Transparency Act”.

4 **SEC. 2. FINDINGS.**

5 Congress makes the following findings:

6 (1) The detention facilities at United States
7 Naval Station, Guantanamo Bay, Cuba, were estab-
8 lished in 2002 for the purpose of detaining those
9 who plan, authorize, commit, or aid in the planning,
10 authorizing, or committing of acts of terrorism
11 against the United States.

12 (2) The facilities have detained individuals who
13 have killed, maimed, or otherwise harmed innocent
14 civilians and members of the United States Armed
15 Forces, as well as combatants who have received
16 specialized training in the conduct and facilitation of
17 acts of terrorism against the United States, its citi-
18 zens, and its allies. This includes 9/11 mastermind
19 Khalid Sheik Mohammed and scores of other known
20 terrorists.

21 (3) The location of the detention facilities at
22 Guantanamo Bay protects the United States, its
23 citizens, and its allies. No prisoner has ever escaped
24 from Guantanamo Bay.

25 (4) On January 20, 2009, President Barack
26 Obama issued Executive Order 13492 ordering the

1 closure of the detention facilities at Guantanamo
2 Bay, consistent with the national security and for-
3 eign policy interests of the United States and the in-
4 terests of justice.

5 (5) Executive Order 13492 directs the Depart-
6 ment of State to participate in the review of each de-
7 tainee to determine whether it is possible to transfer
8 or release the individual consistent with the national
9 security and foreign policy interests of the United
10 States.

11 (6) The Secretary of State is ordered to expedi-
12 tiously pursue and direct negotiations and diplo-
13 matic efforts with foreign governments as are nec-
14 essary and appropriate to implement Executive
15 Order 13492.

16 (7) Since 2009, the Department of State has
17 played a substantial role in the review and transfer
18 of enemy combatants from the jurisdiction of the
19 United States to the custody or control of foreign
20 governments through the appointment of a Special
21 Envoy for Guantanamo Closure.

22 (8) President Obama has released numerous de-
23 tainees from Guantanamo Bay since taking office,
24 some of whom are known or suspected to have re-
25 engaged in terrorist activity.

1 (9) The transfer of individuals from Guanta-
2 namo Bay to foreign countries sharply increased
3 from 2014 to 2016, bringing the number of remain-
4 ing detainees to less than 100.

5 (10) The administration often transfers detain-
6 ees to countries in close proximity to their countries
7 of origin. In some cases, prisoners have been relo-
8 cated within blocks of United States diplomatic fa-
9 cilities located in countries with governments that
10 have publicly stated no intention to monitor or re-
11 strict travel of potentially dangerous former detain-
12 ees or that otherwise lack the capacity to mitigate
13 threat potential.

14 (11) The administration is required to notify
15 Congress of its intent to transfer individuals de-
16 tained at Guantanamo pursuant to section 1034 of
17 the National Defense Authorization Act for 2016
18 (Public Law 114-92) and certify that among other
19 things, the foreign country to which the individual is
20 proposed to be transferred has taken or agreed to
21 take appropriate steps to substantially mitigate any
22 risk the individual could attempt to reengage in ter-
23 rorist activity or otherwise threaten the United
24 States or its allies or interests.

1 (12) While not required by law, the administra-
2 tion has classified these notifications so that only a
3 small number of individuals are able to know their
4 contents.

5 (13) The information contained in such a notice
6 does not warrant classification, given that third-
7 party nations and the detainees themselves possesses
8 such information.

9 (14) The decision to classify the notice and cer-
10 tification results in a process that is not trans-
11 parent, thereby preventing the American public from
12 knowing pertinent information about the release of
13 these individuals.

14 **SEC. 3. SENSE OF CONGRESS.**

15 It is the sense of Congress that—

16 (1) the people of the United States deserve to
17 know who is being released from the detention facili-
18 ties at United States Naval Station, Guantanamo
19 Bay, Cuba, their countries of origin, their destina-
20 tions, and the ability of the host nation to prevent
21 recidivism; and

22 (2) the people of the United States deserve
23 transparency in the manner in which the Obama Ad-
24 ministration complies with Executive Order 13492.
