Dear Mr. Teter:

We appreciated the conversation with your staff yesterday regarding our committees' request for Mr. Huang's appearance. This letter is to request your appearance for a closed-door transcribed interview on December 2, 2026, regarding AI chip smuggling, adversary military use of NVIDIA products, and recent public reports regarding NVIDIA's interference in U.S. export control policies and investigations, including those involving Megaspeed. We request written confirmation of your intention to appear on December 2, 2026, by no later than 8 p.m. EST on November 13, 2026.

Failure to cooperate with this request will result in the House Foreign Affairs Committee issuing a subpoena to compel your testimony in a format of the committee's choosing. Other committees also reserve the right to separately issue subpoenas to compel your testimony, which could also be in an open hearing format.

We request written confirmation of your acceptance of this request by 8 p.m. EST on November 13, 2026, or a subpoena will be issued.

Sincerely,
